A: If you're looking for a book, try What Mozart heard: music, memory and inspiration; a study of memorization in the early Mozart, Da Capo, 1988. It's a study of the life of Wolfgang Mozart and contains a chapter about his memory (and singing). If you're looking for a paper, try 30 March 2011 The Preciousness of Ruins I have learned that the act of collecting is one that centers one's life around the intangible but it's the intangible that gives substance to the life. The photo at left is from the village of Gombe in Northern Tanzania. I'm afraid this photo is not perfect but it does the work of focusing one's attention, helping one to notice the beautiful, imperfect things that one would have been able to walk past before. The photo seems to read to me "Look at me, I'm beautiful! Every spot on me is pretty! Yes f678ea9f9e
